① login homepage

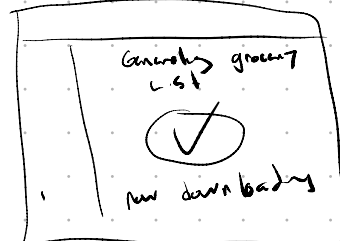

A hand-drawn sketch of a login page. It features a header with three wavy lines and a 'login' button. Below the header, there are four input fields labeled 'email', 'password', and two others with wavy lines representing text. An arrow points from this page to the 'Recommended' page.

② Recommended

A hand-drawn sketch of a 'Recommended' page. It has a search bar at the top. Below it, there's a section titled 'This week' with a 'get go list' button. Under 'This week', there are two days listed: 'Monday' and 'Tuesday', each with a placeholder image and a plus icon. An arrow points from the 'get go list' button to the 'Create Go List' page.

③ Create Go List

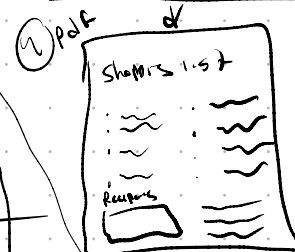

A hand-drawn sketch of a 'Create Go List' page. It has a title 'Generate grocery list' and a large checkmark icon. Below the checkmark, it says 'new down body'. An arrow points from this page to the 'Add from Favorites' page.

Custom select week

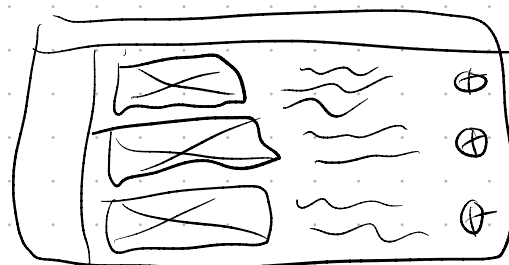

A hand-drawn sketch of a 'Select this week' page. It has a title 'Select this week' and three buttons labeled 'Monday', 'Tuesday', and 'Wednesday'. Below these buttons are three placeholder images and a 'finish' button. An arrow points from this page to the 'Add from Favorites' page.

A hand-drawn sketch of a 'Shoppers list' page. It has a title 'Shoppers list' and a 'Recipes' section. Below the 'Recipes' section, there are three placeholder images and a 'Recipes' button. An arrow points from this page to the 'Add from Favorites' page.

add from favorites

A hand-drawn sketch of an 'Add from favorites' page. It has three placeholder images on the left and three wavy lines on the right, each with a plus icon. An arrow points from this page to the 'Add from Favorites' page.
